Kalyani Mali

UI/UX PRODUCT DESIGNER

UI/UX Product Designer with 2+ years of experience designing user-centered digital products and brand systems. Specialized in wireframing, prototyping, and scalable design systems. Delivered 10+ projects across web and mobile, improving usability and creating intuitive user experiences.

WORK EXPERIENCE

UI/UX Product Designer - *Freelance*

JUL 2023 - PRESENT / Full-time, remote

Delivered end-to-end design solutions for small business clients, focusing on user-centered designs and consistent branding. Created wireframes, interactive prototypes, and high-fidelity UI designs using modern tools and design principles.

Web Developer - *Freelance*

DEC 2021 - JUN 2023 / Part-time, remote

Developed custom websites for small businesses and personal clients, integrating dynamic features and ensuring a mobile-first, responsive design. Utilized HTML, CSS, JavaScript, and modern UI tools to create clean, accessible, and visually cohesive layouts.

SELECTED PROJECTS
